

SHELL SCHEME PRINT

VISSIBLE SIZE
950MM X 2340MM

PRINT SIZE
970MM X 2360MM

Final artwork should be 970 mm x 2360 mm high

PVC graphics are digitally printed in-house to a photo quality standard. We then laminate each panel with a protective laminate for protection against creases, tears or scratches. This gives you longer lasting and more durable artwork that can be used again and again.
